## A New Way for Children to \$ave

Welcome to our new club  
just for MCT Credit Union  
members up to 8 years old!

We've designed this new account to teach you all about saving and its rewards. Your credit union has some really fun and exciting events planned for this year and next. These events will be announced through our Youth Newsletters each quarter.

## Millionaire Rewards

With each deposit made after November 15, 2005, you can save here at MCT Credit Union and get some really neat prizes!

### Here's how it works:

Each Millionaire Club in Training member will receive their first Punch Card when a deposit is made into their Club account after November 15, 2005. The card has a total of 20 punch areas on it, each one representing \$10 of deposits. When a minimum of deposit is made into your account, the teller will punch your card for the amount of your deposit. For example, if you deposit \$30.00, the teller will stamp your card 3 times.

Bring in your card each time a deposit is made, and when your card is all punched, you get to pick from our Millionaire Selection rewards. Rewards will be available at any one of the Credit Union branches.

Each time you fill up a card, you will get a new one to start saving again!

Parents, we encourage you to bring your child with you each deposit so that the child may receive his reward in person.

As an added bonus, on your 1st initial \$25 deposit, each child will receive a FREE squeeze bottle, and each time you come in to make your deposit, you will get to pick a prize from our Treasure chest located in each branch lobby.

Saving Money is Fun – so start saving towards your Millionaire Rewards today!
